

WEB DEVELOPER | B. 2002, DA NANG - VIETNAM

Le Trong Tuan

SUMMARY

My name is Le Trong Tuan, I'm a third-year student at the Danang University of Technology, and I'm going to be the programmer on website design on both sides (Front-end and Back-end). With Front-end, my talent is ReactJS, and the server side I can use NodeJS and Express. I am looking for a suitable job, can work 30 hours or more per week. The least, I can bring to the employer is my time, enthusiasm, and youth. Thank you
